Ver 3.0

5 Locations Movie and Music in every room MINI Client Bundle

Watch movies, view family videos or slide shows and listen to music with each room completely independent from other rooms. Connect xLobby mini Clients to your home network with a single cat5e cable and install a NAS media storage device to deliver your content. Each mini Client can copy music and movies to the NAS storage device from each location. xLobby mini clients are small, quiet and perfect for any room. Enjoy stereo or 5.1 surround sound with up to 1080i video scaling. Add additional NAS devices to expand your storage needs.
